### Brainstorm & Idea Prioritization Template:

Brainstorming provides a free and open environment that encourages everyone within a team to participate in the creative thinking process that leads to problem solving. Prioritizing volume over value, out-of-the-box ideas are welcome and built upon, and all participants are encouraged to collaborate, helping each other develop a rich amount of creative solutions.

Use this template in your own brainstorming sessions so your team can unleash their imagination and start shaping concepts even if you're not sitting in the same room.

The template is divided into several sections, each with a numbered icon and a title:

- 1 Before you collaborate:** Includes instructions on how to use the template and a list of collaborative goals.
- 2 Define your problem statement:** Includes a section for 'Problem Statement' and a 'Brainstorm' section with a central image of kidneys and surrounding text boxes.
- 3 Brainstorm:** Includes a 'Brainstorm' section with a central image of kidneys and surrounding text boxes.
- 4 Group ideas:** Includes a 'Group ideas' section with a central image of kidneys and surrounding text boxes.
- 5 Prioritize:** Includes a 'Prioritize' section with a central image of kidneys and surrounding text boxes.
- 6 After you collaborate:** Includes a 'After you collaborate' section with a central image of kidneys and surrounding text boxes.

The template also includes a 'Brainstorm & Idea Prioritization' section at the top left, which provides a brief overview of the process and a list of collaborative goals.
